

If It's Love

Daniel Schuhmacher

(Yeah)
I use to say
that all the things
who never mean the same
I use to think
that all the pain
is traving me insane
Now you stand in front of me
Look into my eyes
I wonder how
can this be real

If it's lovin'
you can feelin'
we can conquer everything
If it's love
We'll find the answer
that it's worth to start again

If it's love
If it's love
If it's love
If it's love

(Oh)
(Ahhh)

If it's love
my heart is feelin'
I will give you everything
If it's love
We'll find the answer
That it's worth to start again

If it's lovin'
You can feelin'
We can conquer everything
If it's love
(Oh if it's love)
If it's love

I never thought that someone else
can change the way I feel
