

Why Do I Cry

Daniel Schuhmacher

I'm blessed with what i do
I can live my dream that's true
Should celebrate myself right now
I'm blessed with my friends
But sometimes i ask myself is this all i can get
I should be grateful and satisfied

Why do i cry
When i'm alone behind my walls
Why do i say
It's not possible to reach the stars
I don't know I don't know what's wrong
Why do i always search for something wrong
Something wrong something wrong
I don't know

I'm blessed with what i've got
I felt save when growing up

I'm blessed that you're next to me
Like nobody will ever be
I should be grateful and satisfied

Why do i cry
When i'm alone behind my walls
Why do i say
It's not possible to reach the stars
I don't know i don't know what's wrong
Why do i always search for something wrong
Something wrong something wrong

I don't know
I don't know
I don't know
I don't know
I don't know
Why do i cry
When i'm alone behind my walls
Why do i say
It's not possible to reach the stars
I don't know i don't know what's wrong
Why do i always search for something wrong
Something wrong something wrong
I don't know
I don't know
I don't know
I don't know
