

Bright Blue

Daniela Andrade

Seasons know so well
That we're holding onto past and present selves
Remembering our youth
All the things we swore and said we'd never do

You were all I knew
In the oceans of a crowd you'd shine bright blue
And years like time fell through
And despite myself I fell in love with you

It's the one thing that I swore I'd never do
It's the one thing that I swore I'd never do
And despite myself I'm still in love with you
