

# Gallo Pinto

Daniela Andrade

Yo vendo tajaditas (Chicuh-chicuh-chicuh-chicuh)  
Y las vendo muy ricas (Chicuh-chicuh-chicuh-chicuh)  
Yo halo el cordón (Chicuh-chicuh-chicuh-chicuh)  
Y se para el tren (Chicuh-chicuh-chicuh-chicuh)

I got it, got it bad  
I know I want it  
I'm running like a matador  
Blue and white colors burn  
Red through my eye skin  
Understanding where I'm from

Ay, that's why they call me Frijolito  
Arroz en blanco, gallo pinto  
My dreams revueltos, casaditos  
Not one or other, I can have it all  
(Tell me why, tell me why, tell my why)  
I can have it all  
(Gotta try, gotta try, gotta try)

Niña, servin' up your tajaditas  
Spread yourself so thin, say it's okay  
Cause that's what they want  
Voices in your head agree with popular opinion  
Look inside yourself and see what happens when you listen

This one's for my mami  
This one's for my dad  
Gave up everything to give me what they couldn't have  
This one's for dreamers  
Working through their past  
You are not defined by all the things that you don't have

And we gon' make it out fine, yeah  
Just say we'll make it out fine, yeah  
Givin' it my heart and my kindness  
'Cause I'm Daniela Andrade

I got it, got it bad  
I know I want it  
I'm running like a matador  
Blue and white colors burn  
Red through my eyes, skin  
Understanding where I'm from

Y se para el tren  
Y se para el tren  
Y se para el tren  
Y se para el tren (Chicuh-chicuh-chicuh-chicuh)
