

Manitoba

Daniela Andrade

Thought I'd make the most of a Friday
So I went out and bought me roses
Didn't have in mind to meet you
But so it happened, we were lonely

But, I, I don't know much
About how to love, but
You know the city
You've got a big yellow truck

So how about we take a ride out?
To Arizona, and Manitoba
And I'm not keen on destinations
So let's just take this where it leads us

'Cause, I, I don't know much
About how to love but
You got all the right maps
And your big yellow truck

But, I, I don't know much
About how to love, but
You got all the right maps
And your big yellow truck
