

# Un-Thinkable

Daniela Andrade

Moment of honesty  
Someone's gotta take the lead tonight  
Whose it gonna be?  
I'm gonna sit right here  
And tell you all that comes to me  
If you have something to say  
You should say it right now

You give me a feeling that I never felt before  
And I deserve it, I think I deserve it  
It's becoming something that's impossible to ignore  
And I can't take it  
I was wondering maybe  
Could I make you my baby  
If we do the unthinkable  
Would it make us look crazy  
If you ask me I'm ready  
If you ask me I'm ready

I know you once said to me  
"This is exactly how it should feel when it's meant to be"  
Time is only wasting so why wait for eventually?  
If we gon' do something 'bout it  
We should do it right now

Bay, uh

You give me a feeling that I never felt before  
And I deserve it, I know I deserve it  
It's becoming something that's impossible to ignore  
It's what we make it  
I was wondering maybe  
Could I make you my baby  
If we do the unthinkable would it make us look crazy  
Or would it be so beautiful  
Either way I'm sayin'  
If you ask me I'm ready  
If you ask me I'm ready  
If you ask me I'm ready  
If you ask me I'm ready
