

## Born To Fly

Danielle Bradbery

I've been tellin' my dreams to the scarecrow  
'Bout the places that I'd like to see  
I said, friend do you think I'll ever get there  
Ah, but he just stands there smilin' back at me

So I confessed my sins to the preacher  
About the love I've been prayin' to find  
Is there a brown eyed boy in my future, yeah  
He says. Girl you've got nothin' but time

But how do you wait for heaven  
And who has that much time  
And how do you keep your feet on the ground  
When you know, that you were born  
You were born to fly

My daddy, he's grounded like the oak tree  
My momma, she is steady as the sun  
Oh you know I love my folks  
But I keep starin' down the road  
Just lookin' for my one chance to run

Hey, 'cause I will soar away like the blackbird  
I will blow in the wind like a seed  
I will plant my heart in the garden of my dreams  
And I will grow up where I'll wander wild and free

But how do you wait for heaven  
And who has that much time  
And how do you keep your feet on the ground  
When you know, that you were born  
Yeah you were born  
You were born to fly

So how do you wait for heaven  
And who has that much time  
And how do you keep your feet on the ground  
When you know that you were born  
You were born to fly... Fly  
You were born to fly

You were born to fly
