

Cat House

Danielle Dax

Baby, baby, you're my heart's desire
got my engine going and my pants on fire nosedive.
somersault down to hell
zoom right up and ring heaven's bell
and then stay till I fuse your wire.

Baby, baby, gonna hunger for your leisure
gonna polish up your chrome and shine your treasure
silken bellies and downy thighs
a little trick with a big surprise
so stay let me be your pleasure

Doo Doo Doo...cat-house cat-house
Doo Doo Doo...cat-house cat-house
Ahh Ahh Ahh

Baby, baby, got my pistons pumping
got my engine throbbin' and my sockets jumping
he's the one with the magic key
knows my road from A to Z
and he'll stay 'n' give me such good lovin'

Doo Doo Doo...cat-house cat-house
Doo Doo Doo...cat-house cat-house
Ahh Ahh Ahh
