

## Five Stars And Two Thumbs Up

Danielson

Thank you  
For lending me your hand  
For sharing time today  
For giving that idea

That made  
It a nice and easy day

So saying now thank you  
For setting all aside  
To treat me to some time

With you  
Where all you do

Is listen hard  
In my backyard

Now thank you  
For lending me your hand  
For sharing time today

And I pray that all your hopes  
And dreams will fall in your place  
And I pray that all your hopes  
And dreams will fall in your place

And I pray that all your hopes  
And dreams will fall in your place  
And I pray that all your hopes  
And dreams will fall in your place

Thanks, thanks, thanks, thanks  
Thanks, thanks, thanks, thanks  
Thanks, thanks, thanks
