

# Blue Chips

DaniLeigh

Yeah, yeah  
Yeah

My shit blue chips (Yeah)  
I'm not new, by the way  
Bitch, I do's this, Who are you, by the way?  
Heard your new shit, almost cool, by the way  
This slap stupid, learn to keep it cool, by the way

When we hit like fader  
Watch me flip my roof up  
Boss up, get my paper  
Bitch, you wan' do something?  
Bitch, I'm like some blue chips  
How I do this  
Pop up with some new shit  
Extra cool shit  
Bitch, I'm like some blue chips  
How I does this  
Pop up with some new shit  
Extra cool shit

Paranoia really want me to reside in your pain  
Medicine, understand, I'll make everything ok  
(Yeah, yeah, yeah)  
Poppin' shit I'm popping everyday (Everyday)  
Your the type to shift the word about me (Woo)  
Got the keys, spell it out and say (Yeah)  
The internet about to buzz about me  
Swear I put that on my everything  
Now, baby, I can teach you pain

Don't talk about it, you should be about it  
Don't talk about it, you should be about it

When we hit like fader  
Watch me flip my roof up  
Boss up get my paper  
Lil bitch you want do something  
It jump like some blue chips  
How I do this  
Pop up with some new shit  
Extra cool shit  
Bitch, I'm like some blue chips  
How I does this  
Pop up with some new shit  
Extra cool shit

That's hard as fuck, yeah
