

Dead To Me

DaniLeigh

You know you dead to me
Never kept your word with what you said to me
You know you dead to me
I ain't got no more time for toxic energy
Oh, no
Momma never liked your ass (On God)
Brother wanna fight your ass (So bad)
Daddy hate your triflin' ass
My dog even wanna bite yo' ass
'Cause you dead to me, yeah, yeah
Yeah, you so dead to me
Baby

Too many excuses for me
Chuckin' the deuces, baby
You fuckin' all these hoes (Hoes)
Thinkin' I wouldn't know
Why you play me like a fool, lil baby?
Got a bitch thinkin' I'm crazy
I might just let two go (I might just)
That's why I can't keep you close no more, no, no
This pussy don't belong to you no more
It's over, buried our love is gone
I ain't breaking no more dishes 'bout it
You ain't gotta call to see about me
Already know what I feel about you
'Cause you so dead

You know you dead to me (Oh-oh, baby)
Never kept your word with what you said to me (Said to me)
You know you dead to me
I ain't got no more time for toxic energy (Toxic)
Oh, no (Energy)
Momma never liked your ass
Brother wanna fight your ass
Daddy hate your triflin' ass
My dog even wanna bite yo' ass
'Cause you dead to me, yeah, yeah
Yeah, you so dead to me
Baby

You know you dead to me
You know you dead to me
