

I Wish

DaniLeigh

Oh
Oh, oh, oh
I wish
Oh

I wish (I wish, I wish), wish I had someone to trust
(I wish, I wish) Wish I had someone to trust
(I wish, I wish, I wish that, I wish, I wish)

Lonely, they all told me
It can get lonely when you're on
If only I had somebody before it all
Is that too much to ask?

I wish, wish I had someone to trust just like that
Wish I had someone to trust when it gets bad
Don't just come around me for the money or the fame
Are you phony, are you from me?
I wish (I wish, I wish, I wish that)
(I wish, I wish, I wish that)
(I wish, I wish, I) I wish, I wish

I wish, I wish, I wish that I had someone to trust
Someone to keep a secret, know how to shut up
To listen when I'm talkin', don't ask too many questions
I've got a lot of things on my mind, and I've been stressin'
You give me peace of mind, yeah
Girl, be present in the moment, put your phone on silent
Can you call to the gate? Tell you to come on in
Have you been savin' all that pussy for me? I wish, I wish, I wish

I wish, wish I had someone to trust just like that
Wish I had someone to trust when it gets bad
Don't just come around me for the money or the fame
Are you phony, are you from me?
I wish (All gone), carin', how will I know?
If they didn't know me from the start (The start)

In my dreams, I think about a king
No playin' with my heart, who knows they got a queen, yeah
It's so hard in this game, oh, I wish

I wish (I wish), wish I had someone to trust (I wish) just, just like
that
Wish I had someone to trust when it gets bad (I wish)
Don't just come around me for the money or the fame
Are you phony, are you from me?
I wish (I wish, I wish, I wish that)
(I wish, I wish, I wish that)
(I wish, I wish, I) I just wish (Just like that)
