

Levi High

DaniLeigh

Yeah

Day-daytrip took it to ten, yeah

Levi high jeans, sittin' right, keep that ass up
Instagram flex, basic hoes gettin' gassed up
Niggas in my face, boy bye, nigga back up
I'm a city girl, it's only right that I act up
Yeah, hmm, it's the way I act up
Drink my water and my fruit, so everything be snatched up
Gettin' rich for dummies, you should really get your cash up
Ask me if I give a fuck, I wouldn't give my last fuck
