Show him what Ima do with it
Infinity pool with it
Know I keep wet scuba suit with it
Ain't no bitch super cool with it
How Dani fi and she stay chilling
Tryna act like you ain't stressing
When you posting pics and you fake flexing

I gave love thru the hate
Drive me insane
Circle blocks in the rain
Gimme mine gimme space
Lies to my face
I don't fuck with your fake

I can't fuck with a fake cause you know you all fake
I can't play with a lame why you always pump fake
