

# No Limits

DaniLeigh

I don't got no limits  
Black card don't got limits, yeah, yeah, yeah

I don't got no limits (No)  
Black card don't got limits (Yeah)  
Life's hard, but I brought lemons (Yeah)  
When I pull up, hoes in their feelings  
Spend prices higher than the ceilings (High)  
Bitches can't see me, windows tinted (Yeah)  
All of these cars bought none of them rented  
I ain't tryna make new friends, got requests still pendin' (Yeah, yeah, yeah, yeah, yeah)

I only fuck with my old friends  
Especially when I'm spendin' (Yeah)  
I can't fake with fake bitches  
Never been good at pretendin'  
Dani get the party bussin' like a semi  
Love drunk every time they see me  
No need to crack the Remy or the Henny  
This beat stupid, make me act silly (Yeah, yeah, yeah, yeah)

I don't got no limits (No)  
Black card don't got limits (Yeah, yeah)  
Life's hard, but I brought lemons (Ayy)  
When I pull up, hoes in their feelings (Okay)  
Spend prices higher than the ceilings (Ayy)  
Bitches can't see me, windows tinted  
All of these cars bought none of them rented (Yeah)  
I ain't tryna make new friends, got requests still pendin' (Yeah, yeah, yeah)  
I don't got no limits (I don't)  
Black card don't got limits (I don't)  
Life's hard, but I brought lemons (Damn)  
When I pull up, hoes in their feelings (Yeah, yeah, yeah, yeah)  
Spend prices higher than the ceilings (Ayy)  
Bitches can't see me, windows tinted (Yuh)  
All of these cars bought none of them rented  
I ain't tryna make new friends, got requests still pendin' (Woo)
