I got you coming first  
Like this shit is a race  
I give you all of my time  
And spend it on your waist

Sweet as crem brûlée  
Eat it till it's sorbet  
This shit ain't Minute Maid  
You should let it marinate  
Put it on my plate  
That's a dinner date  
I'ma grab ya face  
In between these legs

It's tasty  
It's tasty  
It's tasty  
It's tasty

Drippin down ya thigh  
That's my favorite mess  
That's my shit  
That's my shit

Loving how I ride  
I'm ya favorite  
Savor it  
Savor it  
'Cause

I'm tasty  
I'm tasty  
I'm tasty  
I'm tasty

Don't keep me waiting long  
Been waiting here all day  
If I give you all of my time  
Don't put that shit to waste, waste

Sweet as crem brûlée  
Eat it till it's sorbet  
This shit ain't Minute Maid  
You should let it marinate  
Put it on my plate  
That's a dinner date  
I'ma grab ya face  
In between these legs

It's tasty  
It's tasty  
It's tasty  
It's tasty

Drippin down ya thigh  
That's my favorite mess  
That's my shit

That's my shit

Loving how I ride  
I'm ya favorite  
Savor it  
Savor it  
'Cause

I'm tasty  
I'm tasty  
I'm tasty  
I'm tasty
