

I Wish

Danity Kane

When you say that you were leavin'
I didn't understand the reason
And all I wanted was to keep you here
Cause you know I really need you here, oh
And you know I ain't been sleepin'
Cause I really can't believe it
Can't believe that you would walk right out that door
And say that you don't want me no more

I was out of my mind
I was sick of being tied up
Didn't spend time at home
And now I wish I
Was the one that you was calling
Baby, won't you pick up the phone
Cause I wish

I wish I wish I wish
I wish I wish I wish
I wish that I was still your girl
(Wish I was still your girl... still your girl)
I miss your lips, your touch, your kiss
I wish I wish I wish that I was still your girl
I need to have you here with me
I wish I was still your girl

It ain't like I didn't know it
I just didn't take the time to show it
And now everyday your on my mind
I wish that I could press rewind, ooh
Can you take me back I'm hopeless
Cause this time I wouldn't blow it
Boy I feel like I'm about to go insane
I wish I had my baby

I was out of my mind
I was sick of being tied up
Didn't spend time at home
And now I wish I
I was the one that you was calling
So baby, pick up the phone
Cause I

I wish I wish I wish
I wish I wish I wish
I wish that I was still your girl
(I wish that I was still your girl... I wish that I was still your girl)
I miss your lips, your touch, your kiss
I wish I wish I wish that I was still your girl
I need to have you here with me
I wish I was still your girl

Always finding numbers in my two-way going out clubbin'
Staying out late at night (stayin' out late at night)
Trying to play a little late sorry for running game
Now I'm wishing I could make it right (cause I know)
I really need you in my life (really need your love... need you here with me)

)
Ooh boy, now I gotta pay the price
And I

I wish I wish I wish
I wish I wish I wish
I wish that I was still your girl
(Wish I was still your girl... still your girl)
I miss your lips, your touch, your kiss
I wish I wish I wish that I was still your girl
I need to have you here with me
I wish I was still your girl
...
