

# Lights Out

Danity Kane

Ah

I'm so hot when I walk I leave smoke in my tracks  
Don't leave your man with me 'cause he won't come back  
I'm dangerous  
(It's when the lights go out)

I'm a girl that's not afraid of the dark  
When the lights go out I get what I want  
So easy  
(When the lights go out)

I don't know what you want to do  
But I want to get you up in my room  
I like (your swagger)  
Gotta (have it)  
Gotta have it  
So won't you come along

Turn off my lights  
And see if you wanna get into my dark side  
Turn off my lights  
And see if you wanna get into my dark side  
Turn off my lights  
And see if you wanna get into my dark side  
You ain't never, ever,  
Had a nothing better,  
When the lights go out..

I dig in my bag and see what I pull out  
I got a lot of tricks, so let me start out  
With number,  
When the lights go out

I'm chained to big boy status  
Break,  
All your good habits  
Momma's going to make you an addict  
When the lights go out

I'm gonna make you a new man  
Have you talking to all your friends  
Baby you ain't seen nothing  
When the lights go out

I'm the type of girl that always get what I want  
So be sure before you come up in the dark  
Cause you about to see  
When the lights go out

I don't know what you want to do  
But I want to get you up in my room  
I like (your swagger)  
Gotta (have it)  
Gotta have it  
So won't you come along

(you ain't gotta be afraid of the dark)

Turn off my lights  
And see if you wanna get into my dark side  
Turn off my lights  
And see if you wanna get into my dark side  
Turn off my lights  
And see if you wanna get into my dark side  
You ain't never, ever,  
Had a nothing better,  
When the lights go out..

You ain't never ever, never ever  
Seen a girl like me  
D-a-n-i-t-y K-a-n-e.  
Ah.

You ain't ever had nothing boy  
You ain't never had nothing boy.  
So why don't you come and turn the lights out.

I don't know what you want to do  
But I want to get you up in my room  
I like (your swagger)  
Gotta (have it)  
Gotta have it  
So won't you come along

(you ain't gotta be afraid of the dark)

Turn off my lights  
And see if you wanna get into my dark side  
Turn off my lights  
And see if you wanna get into my dark side  
Turn off my lights  
And see if you wanna get into my dark side  
You ain't never, ever,  
Had a nothing better,  
When the lights go out..
