

# Sleep On It

Danity Kane

I might like to get to know you  
But I can't hear you right now,  
You're competing with the music  
But the music's way too loud

Why don't you write down your number and slip it to me?  
But you gotta maneuver discreetly,  
I don't want my business leaking people like run their mouth.

I don't need no pressure from you  
(I don't need pressure, no pressure, no)  
Don't need no lectures from you.  
So just give me one night and I'ma

Sleep on it, sleep on it  
And I'll get back at ya when I wanna  
Sleep on it, sleep on it  
You can keep popping off if ya wanna  
You keep on stressing me  
You, you keep on stressing me (Damn!)  
Keep on stressin' if you wanna  
Sleep on it (sleep on it), I'ma sleep on it (sleep on it)  
And I'll get back at ya when I wanna

I would've loved to hit the dance floor  
But it's way to crowded right now  
Maybe we'll bump into each other in the future  
If you wanna see me then you'll figure it out

Me and my girlfriends came to do it  
After workin' hard all week  
We like to throw our open toes on and get jazzy  
Lounge in the party but you're tryna make me speak

I don't need no pressure from you  
(I don't need pressure, no pressure, no)  
Don't need no lectures from you.  
So just give me one night and I'ma

Sleep on it, sleep on it  
And I'll get back at ya when I wanna  
Sleep on it, sleep on it  
You can keep popping off if ya wanna  
You keep on stressing me  
You, you keep on stressing me (Damn!)  
Keep on stressin' if you wanna  
But I'ma sleep on it, sleep on it  
And I'll get back at ya when I wanna

Ooh, I ain't tryna be rude,  
But you're the third guy tonight that's come to me like this.  
You see I'm tryna be cool, but these dudes keep grabbing me,  
They keep on grabbing me.  
I'm ain't tryna be conceited,  
See I appreciate the compliments you're giving to me.  
But any other night it'll be alright,  
But now theres way too much going on.

Sleep on it, sleep on it  
And I'll get back at ya when I wanna  
Sleep on it, sleep on it  
You can keep popping off if ya wanna  
You keep on stressing me  
You-you keep on stressing me (Damn!)  
Keep on stressin' if you wanna  
But I'ma sleep on it, sleep on it  
And I'll get back at ya when I wanna  
(2x)
