

Active Vulcanoes

Danko Jones

When you saw her, across the club
You're one lucky son of gun
Every boy in the room wanted her number

No wastin' time, with a girl that fine
Do what you need to do to get lovin'
Just keep your cool, tell yourself it's not bad

She's easy on the eyes, take your time
Bet it all and let it ride
I know for sure that it's cool when it's two active volcanoes

Everybody knows love means nothin'
When it clicks sometimes volcanoes get erupted

She's easy on the eyes, take your time
Bet it all and let it ride
I know for sure that it's cool when it's two active volcanoes

So it's comin' down tonight
If you freeze you'll die in fright
Don't forget she's probably thinkin' the same thing

Just lean in, do what you know
You got this so keep it cool, take it slow
Don't want her believin' you get nothin'

She's easy on the eyes, take your time
Bet it all and let it ride
I know for sure that it's cool when it's two avtive volcanoes

Everybody knows love means nothin'
But when it clicks sometimes volcanoes get erupted
And you might love her sweet somethin' else
But all is fair if she don't want it to happen

Everybody knows love means nothin'
But when it clicks sometimes volcanoes get erupted

When you saw her, across the club
You're one lucky son of gun
Every boy in the room wanted her number

She's easy on the eyes, take your time
Bet it all and let it ride
I know for sure that it's cool when it's two active volcanoes

Oooh oooh-oooh-oooh oooh-oooh-oooh oooh-oooh
Two active volcanoes
Oooh oooh-oooh-oooh oooh-oooh-oooh oooh-oooh
Blowin' all day and blowin' all night
Pressure's too hot to contain
