Dance Dance Dance

Danko Jones

Not too many things I like to see
'Cept my baby dancing up in front of me
She put her red shoes on, went ahead and danced the blues
I turn the lights down low and man I'll never lose

I know it's kind of funny but my baby never does this
Only when the music plays
I don't mind cause she's happy and it makes me feel alive
When I'm down most of the day

My baby keeps on doing what she's doing
Cause her moving is what I need tonight
I got the best damn woman and when she moves
It's a shock that feels so right, so right

Dance Dance Dance
I love to watch her move that body
Dance Dance Dance
I can watch it every day

Dance Dance Dance
I love to watch her move that body
Dance Dance Dance
I can watch it every day

Baby keeps on dancing so I see
I wanna watch my woman dance in front of me
When she gets going it's all she wants to do
Can stop her if I wanna but why when it looks so good

I gotta get it going 'cause I know she's got it flowing
Even when she's on display
And when the needle hits the record all the people wait a second
But the music saves the day

My honey gets rocked with the beat on the box
And her hips move side to side
I'll watch her from the back cause I know she got a knack
For standing in the spotlight (but I can dig it)

Dance Dance Dance
I love to watch her move that body
Dance Dance Dance
I can watch it every day

Dance Dance Dance
I love to watch her move that body
Dance Dance Dance
I can watch it every day
Every day

She living for the back of the beat
I can see it when she moving her feet
If you turn it up a little bit higher
Gonna lose it and I'll start to perspire

I don't mind cause I'm along for the ride

I don't mind cause I'm along for the ride
I like to see her moving up and alive
I get off, watching her gets me high

I don't mind cause I'm along for the ride
I don't mind cause I'm along for the ride
I like to watch her move her hips to the side
Watching her gets me high

Dance Dance Dance
I love to watch her move that body
Dance Dance Dance
I can watch it every day

Dance Dance Dance
I love to watch her move that body
Dance Dance Dance
I can watch it every day

Dance Dance Dance
Dance Dance Dance
Move that body, yeah
Dance Dance Dance
Dance Dance Dance
I can watch her every day
