

Start the Show

Danko Jones

Get me on stage
Cause I'm ready to play
Let's start the show

Dustin' it off
Gonna go till it's right
I ain't gonna stop
Ready to lose
On a Saturday night
When it's all you got
I been waiting so long
To make it alright
Heads gonna roll
No mistaken
Let's get shaking
I win, you fold

Get me on stage
Cause I'm ready to play
Let's start the show
Get me on stage
Cause I'm ready to play
Let's start the show

Checking it out
And feeling the crowd
Things gonna pop
Counting it down
It's getting real loud
So let's thicken the plot
Nobody's here
If they don't want it live
People ready to go
No mistaken
Let's get shaking
I win, you fold

Get me on stage
Cause I'm ready to play
Let's start the show
Get me on stage
Cause I'm ready to play
Let's start the show

Get me on stage
Cause I'm ready to play
Let's start the show
Get me on stage
Cause I'm ready to play
Let's start the show

Let's start this show, babies
Cause I'm ready, are you ready?
Ha ha ha ha you better shake a little pant leg
Give it to me now, give it to me
I'm ready to start this
I'm ready to start this

I'm ready to start this show
Are you ready?

I can't take it no more
Let's start it
I can't take it no more
Let's start it
I been waiting too long
Let's start it
I can't take it no more
Let's start the show
Walking like I mean it
I just might repeat it
It's getting kinda heated
But I never been defeated
Walking like I mean it
I just might repeat it
It's getting kinda heated
But I never been defeated
I can't take it no more
Let's start the show
I can't take it no more

I can't take it no more
Let's start the show
I can't take it no more
Let's start the show
