

# Masquerade of a Fool

Danni Leigh

Words of love roll off your tongue  
So easily  
They blind me to the point  
I don't even see  
All these nights you're somewhere else  
I'm killing time all by myself  
But I know you'll call  
You always do

(Chorus)

Masquerade of a fool  
Living a lie  
Believing it's true  
How long can I  
Keep up this charade  
Hiding behind  
The masquerade of a fool

The way you say my name  
Makes me forget  
Promises you've made  
But never met  
Even though I know it's wrong  
I'm still here hanging on  
Hopelessly forever  
In love with you

(Repeat Chorus)

How long can I  
Keep up this charade  
Hiding behind  
The masquerade of a fool  
Hiding behind  
The masquerade of a fool
