

So Called Friend

Danni Leigh

I can't believe
You're telling me
You were with a friend
'Til morning again
If you think that I
Stayed home and cried
Darling you better think again

(Chorus)

'Cause I saw you dancing with your
So called friend
And I saw you holding her so tight
So I'm sure you won't mind
If I go and find
My own so called friend tonight

As the music played
I saw the way
She looked at you
And you wanted her to
'Cause you left the bar
And she got in your car
I can't believe that I was such a fool

(Repeat Chorus 2x)

So I'm sure you won't mind
If I go and find
My own so called friend tonight
