

# 1 Step

Danny Brown

Uh  
One time  
Uh  
Yeah  
One step  
Uh  
Yeah  
It's one step at a time  
It's what I do with the rhyme  
Yeah  
Uh  
Yo

If that knife's too short take one step closer  
Two steps from hell so a step from being over  
A step from the pen but I dripped on this rap shit  
Now I'm 'bout to take one step in a mansion  
Bitches say I'm handsome  
But know I ain't made it yet  
The journey of a million miles begin with one step  
Niggas show me love, I think it's all fake 'cause  
Deep in they heart I know it's one step from hate  
So they can suck a dick, I really don't care  
Elevator to success is broke, I gotta take the stairs  
A step at a time, left and right  
Niggas need to quit rapping, take a step from the mic  
Rappers terrified, I look 'em in they eyes  
They give me [?] and give me highfives  
But I know they scared, tonight don't get smeared  
'Cause courage is just one step from fear

I can't think of the rhyme so  
I take it one step at a time  
Uh, I can't think of the rhyme so  
I take it one step at a time  
Uh, I can't think of the rhyme so  
I take it one step at a time  
Uh, one step at a time  
Uh, just one step at a time

They say a honest man will stay behind opportunity  
So I cut in front of liars, spit truancy  
I'm nice 'cause I skipped school to write  
Nigga I don't feel ya  
Far from a failure  
The bitch is a pop-off  
Work in the sock drawer  
Banging that Tupac  
A step from a outlaw  
Kush switch to southpaw  
Leave a nigga jaw rocked  
Yo, you don't know who we are?  
Darg you just a step from the ER  
We throw them Bs up but darg we ain't a Blood  
Only rep green, fuck money, that's bud  
I'm like "Aye cuz I'm tryna get high"  
And this kush got me one step from alive

Roll another blunt, [?] another five  
Talking 'bout fifty, anybody with me  
On thee neck heavy, fuck a record label  
So if that means I'm one step from cable  
Do it for success, my nigga, fuck a deal  
[?] peel  
Like it's a Happy Meal

A step from a overdose

Uh, I can't think of the rhyme so  
I take it one step at a time  
Uh, I can't think of the rhyme so  
I take it one step at a time  
One step at a time
