Danny Brown

Check

Niggas sop like Smokah Hookah when they ain't got no hoes around (Style)  
If you don't know me now, I'll hack ya jaw like Bobby Brown (Uh-huh)  
Broke it down and bring it back but won't get shit like GameStop  
Been around the block a couple times but still stuck in that same spot (Style)  
I'm 'bout to start a website called Lameassnigga.com (Ha)  
Put you on that front page, like, what the fuck is you on? (Nah)  
Bitch, this Big Bruiser, we like Yakuza ('Kuza), and this ain't what you used to  
My bitch be thick like Mewtwo, on everyone phone like U2 (Style)  
I pull up wit' that doot-doot then start a riot like Zoot Suit (Doot-doot)  
My bank account no chute-schute, I look around, like who you?  
I'm in the booth like flamethrower, I'm old-school like Kangol  
But stay on that new shit, so wear it like that shoe fit

(Heard it all before) Ain't no sunshine like Anderson  
I do what I want, why these other niggas be panderin'? (Style)  
So I ain't with that pamperin', they tamperin' with that style  
But I just think too free for them to ever lock me down (Go)

'Cau-'cau-'cause they ruptured it, his skin  
And the blood in his veins  
W-while he claws at his choice of death planned  
It feel like eyeglass, can't see

The whole world  
It's just (Check)

Think the whole world just ended in 1999 (Style)  
Got us trapped in that matrix and everybody died (Uh)  
It's a simulation, it ain't real and think somebody lied (Yeah)  
Now we glitchin', no fixin', and we are dead inside  
These our last days, your soul paid for everything we lost (Lost)  
You can't take credit, we all in there, who won, but at what cost?  
Let it pour down 'fore it come up, it's dark out, but the sun's up (Up)  
Start rainin' bullets when the guns up, they tryna take it all from us (Doot-doot-doot-doot)  
Apocalypse metropolis in Hell, fight with a pot to piss  
Try to throw it, put the flame out, still burn hot when it rain drop (Drop)

Triggers up in my eyelids that dig and shuts my eyesight  
I can see your birth, life, death, and fucking past life  
I can see how mad you were, stressed out, you were someone I loved  
I can see your body heals in the heat to dry eyes  
Emerged when the world ended in 1999  
Just some remnants of his ghost got us vanished from time

(Nine, whole world just ended in 1999-99) Go  
(Whole world just ended in 1999) Go  
(Whole world just ended in-)  
(Whole- whole- whole- whole-whole)

Nine, nine, nine, nine, nine (Nine, nine, nine, nine, nine)  
(Nine, nine, nine, nine, nine, nine, nine, n-nine)  
(Nine, nine, nine, nine, nine, nine, nine, n-nine)  
(Nine, nine, nine, nine, nine, nine, nine, n-ni-)
