

## Fly Again (Broken Wings)

Danny Fernandes

Lonely days  
Why did I give my life to you (Oh no)  
And I'm in, so much pain  
All the shit that you put me through  
Oh no no  
When you shot me down I was high and flyin'  
Never thought I'd be on my own  
Got me straight through the heart now I'm dyin' (dyin')  
Falling all alone  
So can you take, these broken wings  
And learn to fly again I know that's what we need  
Cause I can feel, it in my skin  
Before I fade away I know I'll love again  
Oh we oh we oh [x4]  
Sleepless nights, can't even dream of what could of been (Oh no  
)  
And baby, you ain't right  
Want to forget the past where do I begin (Oh no no)  
When you shot me down I was high and flyin'  
Never thought I'd be on my own  
Got me straight through the heart now I'm dyin' (dyin')  
Falling all alone  
So can you take, these broken wings  
And learn to fly again I know that's what we need  
Cause I can feel, it in my skin (in my skin)  
Before I fade away I know I'll love again (I know I will love a  
gain)  
Oh we oh we oh [x4]  
All I do is think about you, think about you [x2]  
I don't wanna live without you, (live without you) [x2]  
So can you take, these broken wings  
And learn to fly again I know that's what we need  
Cause I can feel, it in my skin  
Before I fade away I know I'll love again  
So can you take, these broken wings  
And learn to fly again I know that's what we need  
Cause I can feel, it in my skin  
Before I fade away I know I'll love again
