## Had Me At Hi

**Danny Fernandes** 

We started out friends, then became lovers Everything you need, I got it guaranteed (I got it guaranteed) And from the first time I knew welld be together When youDre close to me girl I can hardly breathe (I can hardly breathe) And when you said hi, I never recovered You changed the speed (you changed the speed) Of my heartbeat (of my heartbeat) You gotta be mine, I swear IOll always love ya You got me out my mind And I didn I have to look in your eyes I didn□t have to look in your eyes (look in your eyes) You had me at hi IDm hoping that you donDt say goodbye (donDt say goodbye) You had me at hi And god must Dve taken his time (taken his time) You had me at hi I didnot have to look in your eyes (look in your eyes) You had me at hi I hope this never ends, hope it lasts forever When you looked my way girl I was hooked that day (I was hooked that day) I swear you had the chant, girl youDre like no other Everything I see, youDre the air I breathe (YouDre the air I breathe) And if you said bye, IOd never recover You changed the speed (you changed the speed) Of my heartbeat (of my heartbeat) I promise that I will always love ya I know welld last till the end of time before I looked at your eyes I didn□t have to look in your eyes (look in your eyes) You had me at hi  ${\tt I}{\tt D}{\tt m}$  hoping that you don  ${\tt D}{\tt t}$  say goodbye (don  ${\tt D}{\tt t}$  say goodbye) You had me at hi And god must Dve taken his time (taken his time) You had me at hi I didn t have to look in your eyes (look in your eyes) You had me at hi You had me at hi
