

# Chasing

Danny Gokey

[Danny Gokey:]

I don't think about You  
As much as I say I do  
I don't breathe You in  
As much as I pretend

I'm just running circles, getting tired  
I've tried to fill Your space, with my desires  
Somehow You're still here and I still feel Your touch  
God I can't believe Your love

[Danny Gokey & Jordin Sparks:]

I've been chasing dreams  
Like we're chasing the falling leaves  
I've been chasing things  
But all this time Lord  
You've been chasing me, ohh

[Jordin Sparks (Both):]

I want my love, for You to be  
Strong as Yours is for me, hmmm  
( 'Cause even when I turn my back, You stay  
When every thought in me goes my own way  
Somehow You're still here and I'm still enough)  
God I can't believe Your love

[Danny Gokey & Jordin Sparks:]

I've been chasing dreams  
Like we're chasing the falling leaves  
I've been chasing things  
But all this time Lord  
You've been chasing me, ohh  
(Ohh You've been chasing me  
Yes Lord... hmmm)

[Danny Gokey (Jordin Sparks):]

I've been chasing dreams  
(I've been chasing dreams)  
Like we're chasing the falling leaves  
I've been chasing things  
But all this time Lord  
You've been chasing me  
(Chasing me... Ohh-ohh-ohhhh)
