Epa Wei

Danny Ocean

Oh, Ba-Babylon girl
Babylon girl
Yeah, yeah, yeah, yeah

When I walked in I saw you
Lights were fading out, fading out for you, that's right
Haven't met you before, no
But I'll wait in line, wait in line for you, yeah
So baby when you move, when you move like this
Move, when you move like this (stop it)
Move, when you move like that
I know I should stay back, oh no
Should we give it up?
Put that D'Usse in our cups
Sipping fast and wining slow
Should I stay or should I go?

We play Epa Epa Wei, Epa Epa Wei
Wei, Wei
Epa Epa Wei, Epa Epa Wei
Wei, Wei
Epa Epa Wei, Epa Epa Wei
Wei, Wei
When she moves like this I-
I can't, can't walk away, no

How am I gonna find the words I-
Didn't come alone, I came with-
Somebody who comes and she goes
She don't love me, I know, but it's all ok (but it's all ok)
I can't stand here no more watching you dancing 'lone
It hurts, oh baby it hurts

Pega'íto así como te gusta
Pega'íto así como te gusta BOM
Dime si lo quieres o no
Dime si me quieres o no
Wah-yeh-yeh

You got me twisted, I'm low and I'm lifted
Ya no puedo más
Y ya no puedo más baby, y ya no puedo más baby

See in your eyes playing with fire
But we can take it, oh we can take it
And I realized the feeling is alive
We shouldn’t break it, oh we shouldn’t break it

She’s been like Epa Epa Wei, Epa Epa Wei
Oh Epa Epa Wei, Epa Epa Wei
I can’t take it anymore all this back and forth
Meet me by the door, now I want you for sure

We play Epa Epa Wei, Epa Epa Wei
