

# Catch Me If You Can

Danny Saucedo

In the club  
Everybody's busy acting superstars

Sippin' bub'  
Suddenly I see you fronin' at the bar

Oh, lady I think I know your type  
You wanna touch and go and tease all night  
We'll be droppin' this game so tight  
Playing hard to get  
Playing hard to get

If I'm moving like this  
Then you move it like that  
'Catch me if you can'  
'Catch me if you can'  
If I rock you like this  
Will you rock me right back?  
'Catch me if you can'  
'Catch me if you can'

'Catch me if you can'  
'Catch me if you can'

It's a shame  
This game we play it always kills the glow

So what's your name  
I'd like to know before I take you home  
Oh, lady I think I know your type  
You wanna touch and go and tease all night  
We'll be droppin' this game so tight  
Playing hard to get  
Playing hard to get

If I'm moving like this  
Then you move it like that  
'Catch me if you can'  
'Catch me if you can'  
If I rock you like this  
Will you rock me right back?  
'Catch me if you can'  
'Catch me if you can'

'Catch me if you can'  
'Catch me if you can'

'Catch me if you can'  
'Catch me if you can'

That girl she's on my mind  
This lady's really fine  
So fancy dressed  
Her body blessed  
I wanna make her mine

All I gotta do is wait until you learn

'Cos you gotta get your game together girl  
It's not so hard to understand  
Just catch me if you can

'Catch me if you can'  
'Catch me if you can'

'Catch me if you can'  
'Catch me if you can'

If I'm moving like this  
Then you move it like that  
'Catch me if you can'  
'Catch me if you can'  
If I rock you like this  
Will you rock me right back?  
'Catch me if you can'  
'Catch me if you can'

'Catch me if you can'  
'Catch me if you can'

'Catch me if you can'  
'Catch me if you can'
