

In Love With A Lover

Danny Saucedo

Damn, never thought I'd ever
Let down my guard.
Never thought that I'd let you inside
But baby now you're tearing down
My walls, the ones I've got
Surrounding my heart
See what we had was only fun ,not love
Girl I remember what you said
Now you're the only one I'm thinking of
Can't seem to get you out of my head

Oh - You make me wanna play with fire
I'm in love with a lover
No - I can't hold back, you're my desire
I'm in love with a lover
Oh - I should have known that you were danger
I'm in love with a lover
No - Mami, I'm in love with a stranger
Yes, I'm in love with a lover

You're like a flower, like the ember glow
Aromatize me with your scent let's go
Let's run away lets run away tonight
Tomorrow we will pay the prize
See what we had was only fun, not love
Girl remember what you said
Now you're the only one I'm thinkin' of
Can't seem to get you out of my head

Oh - You make me wanna play with fire
I'm in love with a lover
No - I can't hold back, you're my desire
I'm in love with a lover
Oh - I should have known that you were danger
I'm in love with a lover
No - Mami, I'm in love with a stranger
Yes, I'm in love with a lover

All those sleepless nights I've had
Inner fights that end up bad
It's dark or light
It's black and white
This startin' to drive me mad
Now how did I end up in this position where I'm at
My intuition should have told me that it was a trap
Damn girl,
Why did you have to be at the right place at the right time
Doing dirt with my mind
I tried to stay clean
But I betrayed me
I won't recover
'Cos I'm in love with a lover
See

Oh - You make me wanna play with fire
I'm in love with a lover
No - I can't hold back, you're my desire

I'm in love with a lover
Oh - I should have known that you were danger
I'm in love with a lover
No - Mami, I'm in love with a stranger
Yes, I'm in love with a lover
