

Distant Rumble

Danny Vera

I've been waiting for a long, long time
I won't give up and won't back down
Even in the darkest night I can see a light

Cause I've been through harder times
I know what to do if I ever fall behind
I'll just get back in line

Hear the distant rumble
Hear it go on and on

It's sometimes hard to believe
The storm is passing over
It won't rain down on me
The storm is gone
But can you hear the thunder roar
Can you here the thunder roar
Distant rumble

I was blinded by the brightest light
Oh, how I looked for darkness
Still I couldn't find just some peace of mind

The darkest hour is at the end of night
It's the purest black that you will ever find
That's how I felt inside

Till I heard that rumble
I heard it go on and on

It's sometimes hard to believe
The storm is passing over
It won't rain down on me
The storm is gone
But can you hear the thunder roar
Can you here the thunder roar
Distant rumble

Hear the distant rumble
Hear it go on and on

It's sometimes hard to believe
The storm is passing over
It won't rain down on me
The storm is gone
But can you hear the thunder roar
Can you here the thunder roar
Distant rumble
