

# Don't Go

Danny Vera

Pale, like a white moon shining  
Through the trees  
When you look at me  
Your heart so close  
You're skin is melting in my hands again

I want to stay in your loving arms  
As long as you want it  
I want you so bad  
So when you're near me  
I won't let you, no I won't let you go

Is there something that I've said  
To make you so upset  
Is there one thing that I don't know  
'Cause I don't want you to go

I will tell you the reasons why  
You should stay with me  
I'll have to try to make a difference  
For the time that we have  
I hope it will last

Now if that day comes along  
That you don't carry on  
I'll be the luckiest man alive  
With you by my side

I want to stay in your loving arms  
As long as you want it  
I want you so bad  
So when you're near me  
I won't let you go
