

## Get It How U Want It

Danny Vera

How you want it, baby, I don't care  
If you want my lovin', lets just be fair  
'Cause how you want I already know  
It's just so funny that I can't let you go

If you think you had too much of me  
Take a chance and set my lovin' free  
'Cause how you want I already know  
We can do it fast or take it slow

'Cause you can get it how you want it  
You'll get this right tonight

When you feel my love deep inside of you  
And I do the things you want me to  
That's for you the time to make up your mind  
Can we go on or am I left behind

'Cause you can get it how you want it  
You'll get this right tonight

Let it go, let it slide  
Let me look inside your mind  
You can leave your words  
It will be fine, we'll get this right tonight

'Cause you can get it how you want it  
You'll get this right tonight
