

Headin' For The City

Danny Vera

Left my life in Tijuana
Lost my luck in Ashbury
Made a fortune in Havana
Where I dumped my misery

Now I'm headin' for the city
To meet my destiny
Yes, I'm headin' for the city
To meet my destiny

Left my love in Atlanta
Took a plane to Birmingham
Broke my heart in Vienna
Got it back in Amsterdam

Now I'm headin' for the city
To meet my destiny
I keep headin' for the city
To meet my destiny
To meet my destiny

Quit playin' poker in Las Vegas
No more trips to Miami
I did my time down in Memphis
Where I left a part of me
I left that part of me behind

Now I'm headin' for the city
To meet my destiny
I keep headin' for the city
To meet my destiny
I keep headin' to that city
To meet my destiny
To meet my destiny
