

La Vie En Rose

Danny Vera

I thought that love was just a word
They sang in love songs that I heard
It took your kisses to reveal
That I was wrong and love is real

Hold me close and hold me fast
This magic spell you cast
This is la vie en rose

When you kiss me Heaven sighs
And though I close my eyes
I see la vie en rose

When you press me to your heart
I'm in a world apart
A world where roses bloom

And when you speak angels sing from above
Everyday words seem to turn into love songs

Give your heart and soul to me
And life will always be
La vie en rose

When you press me to your heart
I'm in a world apart
A world where roses bloom

And when you speak angels sing from above
Everyday words seem to turn into love songs

Give your heart and soul to me
And life will always be
La vie en rose
