

# Make It A Memory

Danny Vera

Hey how are you?  
Did you see the news today  
It's been getting crazy  
But it's always been that way

Are you holding up  
And do you turn off your TV  
When it makes you worry  
Before you fall asleep

Don't let it bring you down  
Don't let it bring you down  
Just see what tomorrow brings  
Don't let it bring you down  
Don't let it bring you down  
Make it a memory  
Make it a memory

I know it's quiet  
And the days are dragging on  
Do you go outside  
Life is lighter in the sun

And just live it up  
Buy yourself a new guitar  
A couple melodies  
Will get you pretty far

Don't let it bring you down  
Don't let it bring you down  
Just see what tomorrow brings  
Don't let it bring you down  
Don't let it bring you down  
Make it a memory  
Make it a memory

Make it brighter than it's ever been before  
Make it brighter than it's ever been before  
Brighter than it's ever been before  
Make it brighter than it's ever been before  
Make it brighter than it's ever been before

Don't let it bring you down  
Don't let it bring you down  
Just see what tomorrow brings  
Don't let it bring you down  
Don't let it bring you down  
Make it a memory  
Make it a memory  
Make it a memory
