Oceanside

Danny Vera

Once in a lifetime
You will come to a place
Where nothing else matters
But just a smile on your face

And everyone around you can go up in smoke
You feel completely at ease and you don't wanna go

Take me back to Oceanside
Take me back to that pure delight
Take me back one day
So I can find what I left behind

And it's one of those mornings
You don't wanna get up
Just take your thoughts
To this place that you love

And everything around you will go up in smoke
Think of white sand and blue seats and a bar that won't close

Take me back to Oceanside
Take me back to that pure delight
Take me back one day
So I can find what I left behind

The sand burns your feet, while we're drinking the wine
Sunlight let's you twinkle, can't believe that you're mine
The band is playing 'Cucurucucu'
I'm forgetting everyday life
When I'm there with you

Take me back to Oceanside
Take me back to that pure delight
Take me back one day
So I can find what I left behind
