

# One More Try

Danny Vera

It's been a long time since you left me  
I didn't mean to make you cry  
I didn't mean to disappoint you  
I didn't mean to tell you lies

And after all that we have been through  
Won't you let me tell you why

One more try, I didn't know how much I loved you  
One more try, let me put my arms around you  
Living all these lonely nights without you  
Can we give it one more try

It's been a long time since I kissed you  
It always used to feel so good  
And if you knew how much I missed you  
You'd forgive me if you could

And now that we have found each other  
Can't we give it one more try

One more try, I didn't know how much I loved you  
One more try, let me put my arms around you  
Living all these lonely nights without you  
Oh, can we give it one more try

And after all that we have been through  
Won't you let me tell you why

One more try, I didn't know how much I loved you  
One more try, let me put my arms around you  
Living all these lonely nights without you  
Oh, baby can we give it one more try  
Can we give it one more try
