Over Again

Danny Vera

Every time that I see
You looking back at me
The tenderness in your smile
You're making it all worthwhile

The silliness of this song
You'll think there's something wrong
But the only thing I want to say
How much you mean to me each day

Over again I'm thinking of what you said
And then over again I fall in love

You'll laugh the whole day long
When you'll hear this stupid song
But I don't care about it
As long as you will stay with me
So I can let you see
How much you mean to me

You probably think I'm crazy
But I'm so glad that you're with me

Over again I'm thinking of what you said
And then over again I fall in love

All the things I wanna do
When I'm so close to you
All the words I wanna say
Will come out the wrong way
Believe me I wanna be with you

Every time that I see
You looking back at me
The tenderness in your smile
You're making it all worthwhile
