

Roller Coaster

Danny Vera

Here we go
On this roller coaster life we know
With those crazy highs and real deep lows
I really don't know why

And I will go
To farthest place on earth I know
I can travel all the roads, you see
'Cause I know you're there with me

You don't have to slow me down
'Cause I will always be around
I will find my way back home
Where Magnolia grows
Where Magnolia grows

But I guess you know
Why I do what I do and where I go
I try to fill that empty space inside
But I can't do that without you

You're even with me in my dreams
I see us sail the 7 seas
I will try to find a way
You're always there tomorrow
You're always there tomorrow

Here we go
On this roller coaster life we know
With those crazy highs and real deep lows
I really don't know why

And I will go
To farthest place on earth I know
I can travel all the roads, you see
'Cause I know you're there with me

You don't have to slow me down
'Cause I will always be around
I will find my way back home
Where Magnolia grows
Where Magnolia grows

Here we go
On this roller coaster life we know
With those crazy highs and real deep lows
I really don't know why

And I will go
To farthest place on earth I know
I can travel all the roads, you see
'Cause I know you're there with me

Here we go
On this roller coaster life we know
I can travel all the roads, you see
'Cause I know you're there with me

'Cause I know, ooh I know you're there with me
