

# Sugah Rush

Danny Vera

Bam bam goes my heart  
Bangin' through my chest  
Rammle and a shakin'  
Like a heart attack  
Aw aw, oh oh

Blood is pumpin' crazy  
Like a midnight train  
The white gold, baby  
Makes me feel no pain  
Aw aw, oh oh!

I'm on a roll  
And I love it  
And I won't stop  
Until I explode

I'm on a roll  
And I love it  
And I won't stop  
Until I explode

Suga, suga rush  
Suga, suga rush  
Suga, suga rush  
Suga, suga rush  
For me  
For me

When I'm tired  
Give me somethin'  
Of that candy cane  
Couple seconds later  
Feel it in my brain  
Aw aw, oh oh!

Blood is pumpin' crazy  
Like a midnight train  
The white gold, baby  
Makes me feel no pain  
Aw aw, oh oh!

I'm on a roll  
And I love it  
And I won't stop  
Until I explode

I'm on a roll  
And I love it  
And I won't stop  
Until I explode

Suga, suga rush  
Suga, suga rush  
Suga, suga rush  
Suga, suga rush  
For me

For me

I'm on a roll  
And I love it  
And I won't stop  
Until I explode

I'm on a roll  
And I love it  
And I won't stop  
Until I explode

Suga, suga rush  
Suga, suga rush  
Suga, suga rush  
Suga, suga rush  
For me  
For me

Suga, suga rush  
For me  
For me
