# When You're Crying

**Danny Vera**

Everytime you're laughin'
Or when I say goodbye
You don't know what you do to me
Sometimes it feels like dying

When you're crying
You're rippin' out my spine
When you're crying
You're rippin' out my spine
I thought that I was stronger
But I so glad that you're mine

It's not the things you're saying
Or the way you look at me
You ain't misbehaving
It's probably just me

When you're crying
You're rippin' out my spine
When you're crying
You're rippin' out my spine
I thought that I was stronger
But I so glad that you're mine

It's not the things you're saying
Or the way you look at me
You ain't misbehaving
It's probably just me

When you're crying
You're rippin' out my spine
When you're crying
You're rippin' out my spine
I thought that I was stronger
But I so glad that you're mine
