

# It's a Fire (Come)

Dante Bowe

You are  
A consuming fire  
How could I not get burned by You?  
Branded  
With pure desire  
You take what's old and make it new

And I'll sing come  
Burn in me, let me see  
What eyes haven't seen  
And ears haven't heard  
I'm ready, Lord  
I'll sing come  
Burn in me, let me see  
What eyes haven't seen  
And ears haven't heard  
I'm ready, Lord

You are  
A consuming fire  
How could I not get burned by You?  
Whoa, branded  
With pure desire  
You take what's old and make it new

And I'll sing come  
Burn in me, let me see  
What eyes haven't seen  
And ears haven't heard  
I'm ready, Lord  
I'll sing come  
Burn in me, let me see  
What eyes haven't seen  
And ears haven't heard  
I'm ready, Lord

You are  
A vibrant light  
How could I take my eyes off You?  
Surrender  
And heart abandoned  
How could my feet not run to You?

When I saw You coming, I came running  
To crash right into You  
Then You wrapped me in faith  
And now I know it's true

Come  
Burn in me, let me see  
What eyes haven't seen  
And ears haven't heard  
I'm ready, Lord  
I'll sing come  
Burn in me, let me see  
What eyes haven't seen  
And ears haven't heard

I'm ready, Lord

It's a fire  
It's a fire  
And it's burning hotter  
And I'm standing on the altar  
It's a fire  
It's a fire  
And it's burning brighter  
And I'm standing on the altar  
It's a fire  
It's a fire  
And it's burning hotter  
And I'm standing on the altar  
Yeah, it's a fire  
It's a fire  
And it's burning brighter  
And I'm standing on the altar

So let it burn  
Let it burn  
Let it burn  
Let it burn  
Let it burn  
Let it burn  
Let it burn  
So let it burn  
Let it burn  
Let it burn  
Let it burn  
Let it burn  
Let it burn  
Let it burn

Come  
Burn in me, let me see  
What eyes haven't seen  
And ears haven't heard  
I'm ready, Lord  
So I'll sing come  
Burn in me, let me see  
What eyes haven't seen  
And ears haven't heard  
I'm ready, Lord
