

love is in the air

Dante Bowe

I know You won't let go
You're just too good for that
And I've seen way too many people
Walk out my door and never look back

But something about You changed what I thought love was
Maybe I had the wrong idea all along

I'm gonna sing to You
It's all I really wanna do
I'm gonna sing to You
Always
I'm gonna sing to You
Stay as long as You want me to
I'm gonna sing to You
Always

I've had my heart broken
Now tell me, who's supposed to fix that?
And I've seen rock bottom
And didn't think I would ever bounce back

But something about You changed what I thought love was
Maybe I had the wrong idea all along

So I'm gonna sing to You
It's all I really wanna do
I'm gonna sing to You
Always
Oh, I'm gonna sing to You
Stay as long as You want me to
I'm gonna sing to You
Always

Love is in the air
Tell me, can you feel it?
Love is in the
Love is in the air
Ooh, love is in the air
Yeah
Tell me, can you feel it?
In the air
It's all around
It's all around

I'm gonna sing to You
It's all I really wanna do
I'm gonna sing to You
Always
Yeah-yeah, I'm gonna sing to You
And stay as long as You want me to
I'm gonna sing to You
Always

Always, always
Always
