

# Voice Of God

Dante Bowe

I can hear it in the crackle of a bonfire  
And I can hear it in the middle of the ocean water  
Oh, I just can't explain  
But it makes me wanna cry  
And I can hear it when the rain falls on my windowsill  
On a playground where children's laughter lives  
Oh, I can't explain  
But it makes me wanna cry  
And I can hear it in the busy New York city streets  
And I can hear it in the country Georgia fields of green  
Oh, I can't explain, no  
But it makes me wanna cry

It sounds like grand-momma, telling you where you come from  
Said it's kinda like laughter, out of the mouths of your loved ones  
Or catching up with an old friend, reminiscing on back when  
It's like a summertime sprinkler, street side with my ice cream cone  
Said it sounds like a choir, singing hymns, hallelujah  
It's the voice of God, hey  
It can make a grown man cry

And I can hear it on the wind of an early morning, haha  
When the fog is getting thick and the birds are chirping  
Oh, it's just something I can't explain, no  
But it makes me wanna cry  
And I can hear it in the hush of a midnight hour  
When I'm alone in my room, if I'm going under  
Oh, I just can't explain, no  
But it brings me back to life  
It's like the sound of a newborn baby crying, yeah  
Like the final breath of a loved one passing  
Oh, it's a beautiful thing, yeah  
'Cause it leads me to the light

It's like a drive-through movie, small town with a big screen  
Like grilling out in the front yard, sometimes it's the simple things  
Like storytelling with my grandpa, he was so easy to believe  
Like when the sun goes up, yeah  
Sometimes it's better when the sun comes down  
'Cause there's just something about the moonlight  
And it can make you feel alright  
Oh, it's the voice of God  
And it can make a grown man cry  
Yes, it can, yes, it can  
It's the voice of God  
It can make a grown man cry, mm

Ooh-ooh, ooh-ooh  
Voice of God, it's the voice of God (Oh)  
Ooh-ooh, ooh-ooh (Yeah, oh)  
Voice of God, it's the voice of God

If you listen (Ooh-ooh)  
You will hear Him (Ooh-ooh)  
(Voice of God, it's the voice of God)  
In the question (Ooh-ooh)  
He's the answer (Ooh-ooh)

(Voice of God, it's the voice of God)  
Just like my daddy (Ooh-ooh)  
He always taught me (Ooh-ooh)  
(Voice of God) Yes it is (It's the voice of God)

I remember that day (Ooh-ooh)  
When He called my name (Ooh-ooh)  
Nothing was the same (Voice of God)  
Because of the voice, yeah (It's the voice of God)  
And everything was changed (Ooh-ooh)  
I saw myself in a different way (Ooh-ooh)  
Because of (Voice of God, voice of God)  
Yeah (It's the voice of God)  
Before, there were so many noises (Ooh-ooh)  
I made so many wrong choices listening to other voices (Ooh-ooh)  
(Voice of God)  
But now I hear (I hear)  
(It's the voice of God) Hey  
And He is still speaking (He is still speaking) (Ooh-ooh)  
He is still declaring (He's still declaring) (Ooh-ooh)  
That He is the voice (Voice of God) (Voice)  
Yeah (It's the voice of God)  
Creation responds (Ooh-ooh)  
The wind still obeys (Ooh-ooh)  
The voice of God (Voice of God)  
Oh yeah (It's the voice of God)  
Oh, oh-oh, voice of God, it's the voice of God  
I'm so glad I hear it  
Oh-oh, oh-oh-oh  
Voice of God, (Still hear it), the voice of God

The voice that created  
The same voice that saved us  
Oh, no other sound so precious (So precious)  
So precious (So precious)  
The voice of God  
Listen, listen  
To the texture and the tone  
Listen, listen  
For the kindness, for the hope  
Listen, listen  
It's the sound that leads you home  
It's the voice of God (It's the voice of God)  
Oh, that still small voice (Still small voice)  
The voice of God  
So precious (Oh)

It's holy, holy, holy (It is, it is, it is)  
It's so holy, holy, holy (Holy, yeah, it is, it is, it is)  
(The voice, it's the voice)  
Oh, it's so holy, holy, holy, oh  
(There's nothing else like it, nothing else can compare)  
It's so holy, holy, holy (Yeah, nothing else)  
Oh, we cry  
It's so holy, holy, holy  
Oh, we cry (It stands alone, it stands alone)  
Holy, holy, holy  
No other voice can compete  
No other voice can stand beside, it is  
Holy (Holy), holy (Holy), holy (Holy)  
It calms my fears (It calms my fears)  
It soothes my doubts (It soothes my doubts)  
His voice, His voice, His voice is holy

Holy, holy, holy  
Holy, holy, holy (Holy, holy) (Holy)  
He is holy, holy, holy

The deaf ear still responds to that sound of His voice  
The dead man still gets up from the ground, because of His voice  
Everything responds when He calls (Yes)  
Everything responds when He speaks (Everything, yeah)  
I come alive when He calls (Everything inside of me)  
I come alive when He speaks (Stands at attention)  
Everything stands at attention (Oh)  
Everything stands at attention (I stand at attention)  
Everything stands at attention (Every soul, every bone, yeah)  
When my Father speaks  
When my Daddy speaks  
When my Healer speaks  
When my Savior speaks  
Everything stands at attention (I love the sound, I love the sound)

Oh-oh, oh-oh  
Voice of God, it's the voice of God  
Singing  
Oh-oh, oh-oh  
Voice of God, it's the voice of God  
Sing it again, say, oh  
Oh-oh (You can hear it)  
Oh-oh (If you want to)  
Voice of God (If you want it, you got it)  
It's the voice of God

You can hear His voice right now (Oh-oh)  
He's not coming how He spoke to your mother (Oh-oh)  
He may not come how He spoke to your father (Voice of God)  
He wants a new thing (It's the voice of God)  
He wants a new thing  
(Oh-oh, oh-oh)  
(Voice of God) May come differently this time  
(It's the voice of God)

Time to sing, oh  
Oh-oh (Oh-oh) oh  
(Oh-oh) Oh-oh-oh  
(Voice of God) Oh, oh yeah, yeah, yeah  
(It's the voice of God) Oh
