

you

Dante Bowe

They said drive a nice car and you'll feel better
Get that house in your name, choose the lights and the fame
I'm supposed to feel better, right?
I don't feel better
They said, "Boy, chase the bag (Chase the bag, boy)
And you'll be happy
Who cares about your family? (Ah)
Leave it all behind"
Uh, that bag ain't no Louis
Nah, and I'm still not happy
Well, I guess

We all need You (Yeah, yeah)
We all need You (Oh-oh, yeah-yeah)
What can I do, what can I do
If I don't have You? (Oh, oh-oh)

They disguise themselves as You
I mean, there's so many substitutes
It be hard just to get away
I'm trying to get away (Away)
But it's my decision to make (Woah, ah)
It's my decision
To make
Oh-ooh, I'm so tired of being stuck in the middle
Give me room so I can move just a little
Skeletons in my closet building up
And they're starting to be way too much
This is good when a man falls low
Take the world and give me back my soul
I'm on my knees, look, I'm down low
Take the world and give me back my soul

'Cause we all need You, oh (You, You)
We all need You, ooh-no (You)
What can I do (Ah, I messed up)
Ooh-no, if I don't have You?
You, You, You, You
We all need You, ooh-ooh (You, You)
We all need You, ayy (You)
What can I do, what can I do (I do, I do)
Oh God, if I don't have You?
If I don't have You? (Have You, have You, have You)

It's so easy (So easy)
It's so easy to do (To do)
It's the trick of the trade
And they don't want you to know it
It's the trick of the trade
They don't want you to know it (Nah)
It's the trick of the trade
It's so easy (So easy, easy, easy)
It's so easy (Easy)
We all need You (So easy to do) (It's the trick of the trade)
Oh, what can I do, do (They don't want you to know it) (Easy, easy)
If I don't have You, You?
Have You (Easy, easy)

You, You (So easy, yeah, uh)
You (So easy, yeah, easy, easy, uh)
It's the trick of the trade (So easy, easy, easy, yeah, uh)
They don't want you to know it (Yeah, easy, uh, easy, yeah, uh)
Ooh, it's easy
