

# Crashin

Dante Thomas

If I'm crashin'  
Then I'm crashing tonight  
Baby give me the sprite  
I'm with all of my guys, yeah  
Sorry baby that I never write  
The zanies got me sayin' fuck it  
But my heart wants to try

If I'm crashin'  
Then I'm crashing tonight  
Baby give me the sprite  
I'm with all of my guys, yeah  
Sorry baby that I never write  
The zanies got me sayin' fuck it  
But my heart wants to try

Sorry I'm already drunk...  
Grab the keys to the truck  
One thing's for sure, ain't staying home tonight  
My girl been bitchin', talkin' 'bout I need to change my life  
I keep a knot inside my pocket makes me feel alive, Yeah  
Pop poppin' pills and sippin' gin  
It's a jungle that we in  
My boys are soldiers how we march in time  
And when we step up in the club it's like we swarm the hive  
I'm seein' everything, yeah, yeah  
If it wasn't for the gear  
Would these hoes call?  
I keep my circles tight  
Like the gun over barrel, yeah!  
Loyalty is all I want in the end, yeah!  
And if tomorrow never comes...  
Well that's what it is then

If I'm crashin'  
Then I'm crashing tonight  
Baby give me the sprite  
I'm with all of my guys, yeah  
Sorry baby that I never write  
The zanies got me sayin' fuck it  
But my heart wants to try

If I'm crashin'  
Then I'm crashing tonight  
Baby give me the sprite  
I'm with all of my guys, yeah  
Sorry baby that I never write  
The zanies got me sayin' fuck it  
But my heart wants to try

Oh ooh oh ooh oh  
Oh ooh oh ooh oh, yeah, yeah  
Oh ooh oh ooh oh  
Oh ooh oh ooh oh, yeah, yeah

I feel like crashing, yeah, we're crashing tonight  
'Cause we're high and it's feeling so right

I feel like crashing, yeah, we're crashing tonight  
'Cause we're high but tell me could just be the end of the ride

Yeah, I buy my friends a little drip, there's enough money for the trip  
Two angels in my palm, they sit so nice  
Sorry babe I'm like that, there's no going back, you see  
But I'm at peace with everything and got my boys with me

If I'm crashin'  
Then I'm crashing tonight  
Baby give me the sprite  
I'm with all of my guys, yeah  
Sorry baby that I never write  
The zanies got me sayin' fuck it  
But my heart wants to try

If I'm crashin'  
Then I'm crashing tonight  
Baby give me the sprite  
I'm with all of my guys, yeah  
Sorry baby that I never write  
The zanies got me sayin' fuck it  
But my heart wants to try
