One more shot of alcohol
Miss independent
How she ball
Dona Bella
Let's have another drink
I wanna love ya
Take ya back to my casa
Whatever you want mañana
Dona Bella you're such a sexy thing, a sexy thing

When I saw ya dancin' on the floor
Girl, I had to know your name, baby
You were with your friends at bar
So I stepped up and said do ya want a drink

Then we hit the floor
And we were goin' hard
I pulled ya close so I could hear ya breathe

Dona Bella you're such a sexy thing, a sexy thing

She told me that she wanted to go
Somewhere that we could be alone
I said how about I take you home
The way she smiled said everything

We didn't get that far
We started in the car
Racin' round the track get on me
